Summer Reading

Incoming 1-6th Grades

Dear Parent/Guardian:

As the 2016-17 school year draws to a close, it is my pleasure to present to you our 2017 Summer Reading Assignment. Summer reading is an important activity for your child's intellectual growth and development. It encourages students to continue learning while still providing them with fun and enjoyment. What helps make reading entertaining for children is allowing them the freedom to choose books that speak to their unique interests.

As part of our Summer Reading Program students may choose any book, approved by you, within their Lexile range, to complete their project. Lexile levels have been provided by your child's teacher, and are attached. Parents are welcome to take their child to the Millville Public Library at 210 Buck St, where the librarians there will assist all students with finding books within their Lexile range. Parents may also consult the following sites to find an appropriate book for their child.
