April 21, 2015

Dear Parents and Guardians,

New Jersey adopted new academic learning standards known as the Common Core State Standards in English Language Arts and Mathematics over the last three years to put all students on a stronger pathway to college and career readiness. To measure progress against those learning standards the new PARCC testing program was designed. PARCC will offer rich, performance-based tasks that will provide us with a better measure of our children's ability to write, think critically, and apply what they know. PARCC will also provide clearer signals to educators and parents about students' readiness for the next grade level and, in high school, for college and careers.

The second section of PARCC will be given in April/May and is called the End of Year (EOY) assessment. This assessment will measure reading comprehension and vocabulary in *English Language Arts* and students will demonstrate an understanding of concepts while solving problems in *Mathematics*.

Please be advised that beginning in April 2015, these computer-based assessments will begin to be administered throughout our school. The administration windows for the PARCC EOY tests are as follows:

Assessment Component	2015 Administration dates
End-of-Year Assessment (EOY)	April 20 to May 22

Below is the TENTATIVE testing schedule for the Spring EOY test. Please pay close attention to the grade level and dates in which your child/ren are testing to ensure their presence at school and that they get adequate rest and a nutritious breakfast on those days.

If you have any additional questions regarding the PARCC assessment, please do not hesitate to contact me. I can be reached at cmclaughlin@millvillepcs.com or at school.

Sincerely,

Ms. Colleen McLaughlin
 Principal

April/ May Tentative End of Year Assessment Schedule

Testing Window	Grade 3	Grade 4	Grade 5
April 27 and 28	X	X	ELA and Math
May 4 and 6	X	ELA and Math	X
May 8 and 11	ELA and Math	X	X

It's finally here and to celebrate
you can wear yellow and jeans to
school!

On April 24th 2015 for \$1.00

To participate, please fill out the bottom of this form and return to
school by April 22nd.

Re: Parking and Dismissal

Dear Parents and Guardians,

During the past few weeks, I have addressed several concerns regarding the state of the parking lot during dismissal. I have been outside several days lately and I too have noticed the mess. I am very concerned that there is going to be an accident or something worse because people are double and triple parked, moving through the parking lot at a high rate of speed and are rushing and making dangerous/quick moves with their car.

According to the Family Handbook, which all of you signed and returned that you received and read, **“No vehicle should either obstruct emergency access to any school building or block another vehicle from its access to exiting the parking area. Parking should only be done in designated parking spaces.”** I am requesting that all parents and guardians picking up their children, to please abide by these rules. These rules have been established for the safety of all school personnel, parents and students. To help alleviate some of the problems, I am also requesting that you follow the following schedule:

3:45	4 th and 5 th
3:50	1 st -3 rd
3:55	Kindergarten
4:00	Buses

I am further requesting that you arrive at the time of your youngest student's pick-up time. If you have older students, they may wait in the coned area that is monitored by teachers and staff.

I appreciate your help in making and keeping the dismissal of all our students quick and safe!

Sincerely,

A handwritten signature in cursive script that reads 'Colleen McLaughlin'.
