Dear Parents and Guardians,

As per our all call "Blackboard connect announcement", we are very excited to inform you that Millville Public Charter School will have sixth (6th) grade next year! We will be applying to the State in the next few months to expand to seventh (7th) and eighth (8th) grade so that we may continue to offer the best education possible to our students and families.

We would like to thank all of our fifth grade parents for allowing us to send your child's letter to our state representatives. Clearly, all of your support and dedication to our students and the expansion of this school has paid off.

The students, staff, and administrators of Millville Public Charter would also like to thank our Board of Trustees, Mrs. Phyllis London, Mrs. Yvonne Cribbs, Mrs. Zorida Jones and Mr. David Parkhill for taking time away from their busy schedules to travel to Trenton and meet with the Charter School Office. If it had not been for their hard work and continued support and dedication to our children and to the school, we would not have been awarded the expansion.

Lastly, we would like to thank State Senator Van Drew and Assemblyman Andrecjczak who wrote a letter of support on our behalf, called the Commissioner of Education and arranged for our meeting with the Commissioner.

We would like to thank everyone from the MPCS family for their on-going help and support. As always, we continue to strive for the excellence that you and your students deserve.

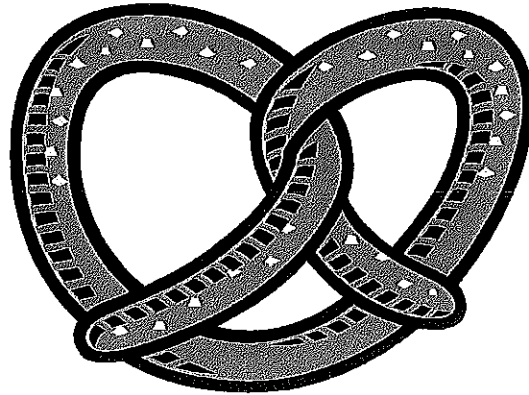

Most Respectfully,

Mr. Esteban Garcia, III
Executive Director
Millville Public Charter School

Ms. Colleen McLaughlin
Principal
