

Millville Public Charter School

Summer Reading

Incoming Grade 8

Dear Parent/Guardian:

As the 2017-18 school year draws to a close, it is my pleasure to present to you our 2018 Summer Reading Assignment. Summer reading is an important activity for your child's intellectual growth and development. It encourages students to continue learning while still providing them with fun and enjoyment. What helps make reading entertaining for children is allowing them the freedom to choose books that speak to their unique interests.

Millville Public Charter School students entering grade 8 are required to read The Outsiders by S.E. Hinton. The required book must be read during the summer in preparation for a mini-unit which will be introduced by the 8th grade Language Arts Literacy teacher at the beginning of the 2018-2019 school year. The length of the unit will be conducted during the first week of school and will be preceded by an assessment.

Students have the option to read a second book from our suggested book list and complete a project for **extra credit** towards a project grade for the 1st quarter. Extra credit projects are due **Wednesday, September 5th**.

Happy Reading!

****If you have any questions, please contact your child's current teacher prior to June 27th.*

This information will be available on our school website for the duration of the summer.

SUMMER READING DIRECTIONS:

1. Please read the required book, THE OUTSIDERS by S.E. HINTON. This book can be found at the Millville Public Library (210 Buck St, Millville, NJ 08332) as well as surrounding library systems
2. Complete a project from the suggested summer reading book list for extra credit.

For the 8th Grade Summer Reading Extra Credit Assignment, we have compiled a list of novels, many recommended by the local librarian, with a variety of reading levels and subject matter. I encourage all students and their parents or guardians review this list before making their book selection. Most books are available and can be checked out from your local library. After reading the books, students can create a project inspired from their reading. Carefully review the criteria and the variety of project suggestions that are provided. All participating students will have the opportunity to present their extra credit projects during the week of **Wednesday, September 5th**. Projects will count as an extra credit project grade for the 1st trimester. All projects are due to your homeroom teacher by **Wednesday, September 5th**.

****If you have any questions, please contact your child's current teacher prior to June 27th.*
